ANNOUNCEMENTS

CORONAVIRUS UPDATE: Cross View is listening to what local and national authorities advise as we determine any necessary response as a church. According to the CDC, washing your hands often with soap and water for at least 20 seconds is one of the best precautions you can take to prevent the spread of the virus. Here are a few other tips:

- During our greeting time, we will greet each other verbally only
- When sick, please stay home
- Consider streaming the Worship Service (if sick)
- Hand sanitizers are available at the top of the stairs and door
- Cough or sneeze in the bend of your elbow
- Avoid touching your face
- Communion Assistants will continue to use hand sanitizers before Communion

We are grateful for our online capabilities that allow you to worship and strengthen your faith, anywhere! Online streaming also provides easy and secure church offering donations. Please remember that our costs will continue whether members worship at Cross View or from other locations. Offerings can be accepted in person, by text, online, by mail and by establishing a Simply Giving account. Feel free to contact the church office with any questions. Above all else, we pray that you remain well and promise to keep you updated.

CROSS VIEW 4.0 – BUILDING FOR GENERATIONS CONSTRUCTION UPDATE: Please join us on March 22, at either the 8:15 a.m. or 10:45 a.m. service, as we celebrate the completion of our “Cross View 4.0 – Building for Generations” project and officially dedicate our new space to God’s glory and future use in ministry.
