## ANNOUNCEMENTS

All of our important communications, including cancellation of services or programming, will be posted to our website, on *CVConnect*, and other means of communication. Worship services that include liturgy, music, scripture, a sermon, and prayers can be streamed from our website and will be archived for on-demand viewing. Our Communications Team will send reminders each weekend with direct links to the media pages on our website.

**Won't it be wonderful to worship together again?!** While we don't know when that might be, we are already trying to plan ahead. When we get together, things will be different—social distancing, lots of hand sanitizers, no hand-shakes or hugs. Masks will be the new normal for a period of time. With this in mind, Cross View is asking that when we do come together in worship, all people two years old and above wear masks to protect themselves and to protect others. If you can, please bring your own masks. If you can't, we will have a few available through the angelic fingers of some of our own Cross View women who are sewing masks for the congregation.

**If you need a mask now, we can provide one for you.** Let us know your size (child, medium, large). Also, if you can and would like to sew masks for our congregation, please let us know and we will provide you with information. Please direct questions to Connie Landreville, [connie.landreville@gmail.com](mailto:connie.landreville@gmail.com).

## A NOTE ABOUT SERVING ON SUNDAYS!

**While we don't know timing of "re-entry" into activities**, the staff and leadership at Cross View have started having discussions of what this will look like and entail, especially for times of worship. This past week, we contacted those of you who have served in different areas of ministry at our worship services and asked you to contact either [Christine@crossview.net](mailto:Christine@crossview.net) or [Margaret@crossview.net](mailto:Margaret@crossview.net) by **Monday, May 18**, to let us know whether or not you would be comfortable continuing once worship service begins.

**We would also like to invite anyone else who is interested** to contact either [christine@crossview.net](mailto:christine@crossview.net) or [margaret@crossview.net](mailto:margaret@crossview.net) by **Monday, May 18** to let us know.

**Many things will be different** when we begin worshiping together: face masks, doors propped open, directional signage to assist in flow of traffic, and practicing social distancing as we enter the building and in seating arrangements. We will need many additional greeters and ushers scheduled each Sunday to help.
