ANNOUNCEMENTS

4.0 BUILDING FOR GENERATIONS CONSTRUCTION UPDATE

The weather and sub-contractor availability continue to be a challenge as we work toward completing the concrete work and other outdoor construction projects. Please pray for dry weather and no further delays so that these projects can be completed before the ground freezes.

The wiring in the sanctuary is complete, and sheetrock installation is near completion. We look forward to returning to the refreshed sanctuary for our worship services on Nov. 17 or Nov. 24.

You can view construction progress photos on the [Building for Generations website](#). Continue to watch your email and the [Cross View website](#) for the most up-to-date information and to stay informed on any changes that may impact our Sunday services. If you have questions, please contact Scott Douglas, Building Chair, at sldouglas1@icloud.com.
