## ANNOUNCEMENTS

### 4.0 BUILDING FOR GENERATIONS CONSTRUCTION UPDATE

- The sheetrock in the sanctuary is complete, and our Bible verses and signatures have been hung in the ceiling. Next up is the wood installation followed by the pew installation. We are tentatively scheduled to worship in the refreshed sanctuary on Nov. 24.
- The only church access will be through door #4 until the first week of November.
- Continue to pray for dry weather so that the remaining concrete work, as well as other outdoor construction projects can be completed before the ground freezes.
- You can view construction progress photos on the Building for Generations website. Watch your email and the Cross View website for the most up-to-date information and to stay informed on any changes that may impact our Sunday services.
