“‘Every Part Matters’ is more than this year’s theme. It’s also a reminder of who God has made us to be together.” –Steve Wheeler

Every Part Matters

1 Corinthians 12:18

by Steve Wheeler, Senior Pastor

The human body is an absolute miracle! Every part of it matters. Every part works together with the other parts. Your brain controls your heartbeat without you even thinking about it. Your heart and lungs work together as a team. Your muscles depend on your bones, and your bones depend on your muscles. Your skin, blood vessels, and muscles cooperate to control temperature. Your immune system uses your bloodstream as a highway to respond to threats. Your body is constantly working together and making decisions without your conscious awareness. Every part matters!

In 1 Corinthians 12:12–31, St. Paul likens the

human body to the body of Christ. He goes to great lengths to show how no one part of the body of Christ exists for itself. He makes it clear that each part is important and is created to carry out different functions. He highlights how the sum-total of all the parts far surpasses the importance of any given part. In 1 Corinthians 12:18, Paul unveils the point of the comparison. “But in fact,

God has arranged the parts in the body, every one of them, just as he wanted them to be.” To answer the good Lutheran question “What does this mean?”— **EVERY PART MATTERS!**

This is our theme for the 2026–2027 year in

ministry. That said, Every Part Matters is more than this year’s theme. It’s also a reminder of who God has made us to be together. God has uniquely brought together the members of Cross View in Edina as the body of Christ in this place. No one is insignificant. No one stands alone. Every person, every gift, and every act of service has an important place in God’s work.

Throughout the year in ministry ahead, we’ll discover what it means to live as Christ’s body. With **Christ as our head**, we follow his Word, wisdom, and ways. With a **heart of compassion**, we learn to know, encourage and care for one another. With **hands equipped for service**, we put our faith into action. And with **feet sent into the world**, we carry the hope of Jesus wherever He leads us.

As we grow together, we also want to grow closer together. Whether it’s meeting someone new, strengthening friendships across generations, welcoming a new family, or finding new ways to serve alongside one another, God is continually weaving us together into one body. Every connection strengthens our shared life in Christ and reminds us that we truly belong to one another. Our

ministry year is uniquely designed to expand and embrace these connections.

Toward that end, there will be multiple opportunities in the year ahead for us to deepen our relationships with each other, to grow together in our faith, and to serve together in Jesus’ name. The journey for our year in ministry begins with our **Fall Kickoff on September 13 with a single congregational-wide worship service at 9:30 AM in the sanctuary**. An engaging presentation of vision and opportunities for the year ahead will follow our time of worship. After that, the body of Christ will join in the Great Commission Room for a catered meal where we will experience fellowship with one another. Finally, we will head outside for a bounce house, an obstacle course, and games and fun for people of all ages.

Mark your calendar. Dress for fun activity. Bring your favorite yard games! You won’t want to miss this fun and memorable Fall Kickoff as we worship together, prepare for the year in ministry together, share a meal together, build relationships together, and have fun together. Let’s all begin our year in ministry together because...EVERY PART MATTERS!

CLASS OVERVIEWS

Genesis 12–50: From Abraham to Joseph

Sept. 16, 23, 30; Oct. 7, 22, 28; Nov. 4, 11, 18

This fall we begin our sixth year of Community Light School of Discipleship with a study of Genesis 12–50: From Abraham to Joseph. These are the foundational stories in the Bible: Abraham and Sarah, Isaac and Rebekah, and Jacob and his Twelve Sons. Then there's Joseph who is sold by his brothers into slavery in Egypt. This class will not only explore how the rest of the Bible builds on these narratives. It will also apply them to our lives—especially our lives as they are lived out in our families. The presenter is **Dr. Reed Lessing**, The Edwin F. and Esther L. Laatsch Chair of Old Testament Studies at Concordia University, St. Paul

Christians and Their Culture

March 31; April 7, 14, 21, 28; May 5, 12, 19

The class will address the Biblical understanding of the role of Christians in their culture by addressing such questions as these: Should Christians escape or embrace their culture? How does a Christian converse with the culture? What cues does the culture offer Christians for their witness? To what extent should the language and arts of the culture shape the Christian? What is the role of the Christian in politics? The class includes weekly study and small group discussion guides. **Rev. Dean Nadasdy**, former Cross View pastor, former Concordia Seminary professor, and MN South District President Emeritus, leads this class.

WRESTLING WITH GOD: INTERPRETING DIFFICULT OLD TESTAMENT PASSAGES

Sunday mornings, June 21–September 6
9:30–10:30 AM in the Sanctuary

Teaching Leader: Pastor Reed Lessing

The Old Testament is difficult to understand. How can the vengeful, angry God of the Old Testament be the same as the comforting, loving God of the New Testament?

How can these old narratives of death, revenge, and morally wrong choices guide you as a Christian? This study will guide you through the Old Testament to understand difficult and overlooked ideas like violence in the book of Joshua, Israelite Sexual Laws, God's Change of Mind as well as His Suffering. These and many more topics will be discussed and taught.

THE BOOK OF ACTS

Sunday mornings, September 20–November 22
9:30–10:30 AM

Teaching Leader: Reed Lessing

Come and study the Book of Acts! This New Testament book tells the story of how the early Christian church began at Pentecost. It's jam-packed with exciting adventures of how the Holy Spirit gave believers the power to share the message of Jesus from Jerusalem to the rest of the world.

- A layperson with 50 hours of training in providing high-quality, distinctively Christian care.
- A caring Christian friend who listens, cares, prays, supports, and encourages.

Early Childhood Center

ECC REFRESH IN PROGRESS

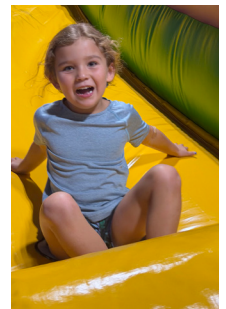

Exciting changes are underway in our Early Childhood Center! Painting and flooring improvements have begun, and the transformation is already making a wonderful difference. The refreshed spaces have a cleaner, brighter, and more welcoming look and feel for our children, teachers, and families. Two classrooms have already been completed, and the team is now working on the third. These improvements have brought a renewed sense of excitement, hope, and gratitude to our Cross View community. We have received many positive comments, and we are especially grateful for the patience and flexibility of our teachers and families as classrooms are rotated during the work. We believe these improvements will be instrumental in supporting future enrollment.

PUMP IT UP

Our final summer field trip took our school-age children to Pump It Up of Eden Prairie for a morning filled with fun and adventure! The children enjoyed a school bus ride to the facility, where they spent two hours enjoying the arcade games, inflatables, and obstacle courses. Our staff joined in on the fun, playing dodgeball in the bounce houses and taking on the kids in friendly air hockey competitions.

While the children may have defeated the adults, everyone had a great time letting loose, embracing their inner child, and enjoying some friendly competition together. We are so proud of how respectful, kind, and well-behaved our ECC children were throughout the entire trip. There were zero incidents, and the day was a complete success! We are thankful for the opportunity to provide our children with memorable experiences like this and for the wonderful staff who helped make the day so enjoyable. It was a fantastic way to wrap up our summer field trips!

OPEN HOUSE

On August 28, we will welcome our ECC families for our annual Open House! The day will begin with teacher training, classroom organization, and a deep cleaning of our classrooms and shared spaces as we prepare for the upcoming school year. Families are invited to visit the center, meet with our teachers and administrative staff, see the refreshed classroom spaces, ask questions, or simply spend some time connecting with our ECC community. We are especially excited to welcome our health consultant nurse, who will join us for the morning training sessions on health and safety. We will also introduce our new staff handbook, a project we have been working on for nearly a year. This comprehensive handbook provides clear guidance on our code of conduct, procedures, licensing requirements, and professional expectations. We are grateful for the opportunity to prepare our staff and classrooms for another wonderful school year and look forward to welcoming our families!

FAMILY FUN DAY

On August 14, our ECC community came together for a wonderful Family Fun Day! This special event was planned with the help of our students, whose ideas and interests helped shape the activities for the day. Children chose from a variety of fun activities, including tug-of-war, ring toss, piñatas, face painting, Bible activities, and much more. By incorporating their ideas, we were able to create an event that was meaningful, engaging, and truly special for our families. We are grateful for our dedicated staff, who worked together to set up and make the day a memorable experience for everyone. Family Fun Day was a wonderful opportunity for our children, families, and staff to connect, have fun, and strengthen the bonds within our Cross View community. Most importantly, we were blessed to share our love for the Lord, for Cross View, and for the children entrusted to our care.

PARENT CORNER

Have you ever considered the need for you AND your child to have a Biblical worldview? Well...read on.

Why do our kids need a Biblical worldview?

To provide wisdom for life

- To develop the foundation for lifelong faith in Jesus
- To shape character and conduct by truth
- To defend against counterfeit ideas
- To answer the big questions of life
- To equip individuals for service to Christ

What is a Biblical worldview?

- It is a set of beliefs, assumptions, or values based on the Bible that determines how one lives.

A Biblical worldview can be defined in four words

- **Creation:** God made the world good
Kids are asking, "How did I get here?" "What is my purpose?"
- **Fall:** Sin made the world groan
Kids are asking, "What went wrong?" "Why is there

evil and suffering?"

- **Redemption:** Jesus paid the penalty for sin
Kids are asking, "What is the solution?" "Where do I find hope?"
- **Restoration:** God will make the world new
Kids are asking, "What will happen in the future?" "How can I be happy?"

To understand the worldview of your child, consider these three questions

- What does your child believe to be true?
- What authority shapes those beliefs?
- How does your child live?

How do we teach our children a Biblical worldview? We begin with a strong foundation—the Bible!

- The Bible alone gives the true account of creation
- The Bible alone gives a true and faithful account of man
- The Bible alone gives us true views of God
- The Bible alone teaches us that God has made a perfect and complete provision for the salvation of sinful man
- The Bible alone explains the state of the world
- The Bible alone gives an account of the God-man Jesus Christ

We need to help our children learn how to study the Bible for themselves. Here are three easy steps in personal Bible study.

- **Observation:** What does this passage say?
- **Interpretation:** What does this mean?
- **Application:** What does this passage require of me?
What wisdom is taught that can be applied to life?

It is one of our goals this year in Sunday School and Kidstute to help children develop their Biblical worldview. I ask for your help as your child's key faith shaper to discuss these things with your children too.
