"In the last seven years as [ECC] director, I have learned God puts you in the right place at just the right time." – Stacey LaMere

## God's Timing is Perfect: Never Early, Never Late

by Stacey LaMere, ECC Director

As I sit in Lake Forest Park, Washington, (I am visiting my family) and look around me, I am reminded of the very beginning of my journey into teaching. It all started in Portland, Oregon, at Concordia University. I knew I wanted to teach in a Lutheran School but did not know what grade or subject the best fit would be. So, I spent my four years in Portland trying different things...student teaching third grade, sixth grade, and taking a lot of classes to get a minor in math to be a middle or high school math teacher. When I graduated,

I got a job in Atchison, Kansas, teaching sixth grade. I then moved to Stuart, Florida, and was an eighth-grade teacher. After doing this for four years, I realized middle school was not for me. God had other plans. God knew where I needed to be, and that was here at Cross View for the last 17 years and counting. I have found my passion and calling from the Lord.

Sometimes it takes a while to see where God is leading you, but in the last seven years as director, I have learned God puts you in the right

place at just the right time. I have cherished and loved my last seven years as director of the Early Childhood Center. It has been a privilege to lead one of the biggest missions of Cross View. The Early Childhood Center needs the prayers and support of the congregation. As each year has passed since I became director, I realized how important prayers and support are. Cross View went through a building project, COVID, and now inflation (effects of a worldwide pandemic). So, thank you for your prayers and all the donations and/or contributions to help the Early Childhood Center be the best place that can reach and spread the love of Jesus to so many families.

I want to share with the congregation one of the greatest ways you have made an impact on lives you might not even realize. When I started my career here about 17 years ago, the church

was helping the ECC build a new playground. Church members could purchase Bear Shares to help fund the playground. That playground is seen from the freeway, and we get at least a dozen phone calls a year asking if we have a child-care center because they see the playground when they are driving by. Families have started at Cross View because they see the playground, they learn about God and his love for them, and their lives change.

The Early Childhood Center has changed and impacted hundreds, if not thousands, of families and lives over the last 35 plus years. To many families, the Cross View ECC has a special place in their hearts. I know that with the support of the congregation, and what the Lord has planned, the ECC will keep thriving as a place that makes a difference in many lives – more than we probably know.

## ZECHARIAH: YOUR KINGDOM COME!

**Dates:** Sundays, February 18–March 24

**Teaching Leader:** Pastor Reed Lessing

Lent begins with Ash Wednesday on February 14th and so does our emphasis on the book of Zechariah. The prophet's chief concern is God's kingdom. Throughout all fourteen chapters, Zechariah fervently announces that God's kingdom is coming through Jesus Christ our Lord.

The book of Zechariah abounds with stunning portraits of our Savior. Based upon his 2021 Concordia Publishing House commentary, this Bible Study, led by Pastor Reed, will build upon our mid-week Lenten and Holy Week services. Great joy and delight await all participants!

## GENESIS IN THE GOSPEL OF JOHN

**Dates:** Sundays, February 18–March 24

**Teaching Leader:** Jeff Coffin

When carefully reading the Gospel of John, many themes from early Genesis (Genesis 1–3 mainly) come flying off the page. John has intended us to read his Gospel as the fruition of the work God started at creation and will finish in the new creation. Early Genesis, correctly understood, sets the table for how to understand the remainder of Scripture. During Lent we will delve deep into this book to see how Jesus fulfills what God always intended. If you have never known why John 20 is considered to be one of the most treasured chapters of the Bible, you'll not want to miss this study.

## ACTIVITIES DURING NATIONAL LUTHERAN SCHOOLS WEEK

The Early Childhood Center enjoyed many fun activities during National Lutheran Schools Week. They celebrated with crazy hair and hat day, fancy dress up day, show and tell day, and more. How lucky we are that we can share the love of Jesus everyday through songs, prayers, and stories with all the families and kids that walk through our doors.

## I LOVE TO READ

February is – I Love to Read month. In January, the ECC teachers went through their books and cleaned out all the books they don’t read or that are chewed or ripped. We are looking to help make our reading centers and teacher books full again. We removed all the items on the Amazon wish lists and replaced them with books. Every class has 10–15 books on their Amazon list. If you would like to help, make our library of new books complete, please consider purchasing a book or two from a list. If you have the book at home and it is in good condition and would like to donate the book, that is fine too.
