

# CROSS VIEW CLARION

July 2023

**"As Christians, we rejoice in the grace we have received through Jesus and eagerly look for ways to love others." – Amy Gundermann**

## Be the Hands and Feet of Jesus

by Amy Gundermann, Director of Outreach & Adult Ministries, Contemporary Worship Team Leader

***"Whatever you did for one of the least of these...you did for me." -Matthew 25:40***

What does it mean to follow Jesus? As we respond to His call to each of us as disciples, we pray for the Holy Spirit to help us live differently. By God's merciful hands, we are shaped like vessels of pottery to reflect His love to those around us. At Cross View, we have an exciting new ministry launching this fall that will give you an opportunity to live out your calling as a disciple of Jesus in a tangible way. We are joining a network of churches, businesses, schools, and other community partners who respond to the

needs of children and families in crisis within our community through a program called CarePortal. Through this program, we will have an opportunity to be the hands and feet of Jesus while caring for children and families who are our neighbors here in Hennepin County.

Through a technology platform, caseworkers identify physical needs which are then met by a team of responders within the network of churches. For example, providing a family who had been previously homeless with essential furniture and bedding in order for them to get back on their feet. This September, you will be invited to join our church's team of responders. ►

Once our team is trained and ready, we will become an active part of the response network impacting the lives of vulnerable people in need. Every year, 7 million children in the United States experience maltreatment. Over 400,000 children have been placed in foster care. CarePortal's goal is to prevent the separation of families through the foster care system by offering support "upstream". Working together with the CarePortal network, we can help families in our community stay together and flourish.

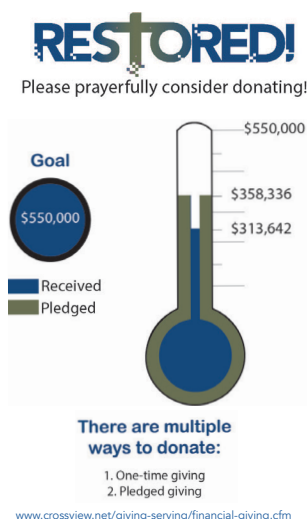

As Christians, we rejoice in the grace we have received through Jesus and eagerly look for ways to love others. Through CarePortal, our congregation will be invited to make a difference in the lives of others and shine brightly with God's love. If you'd like to learn more, visit their website at <https://www.careportal.org>. Watch for more information to come about joining the response team at Cross View and please pray for the lasting hope we have in Jesus to be made known in our community through this ministry.

## New Ministry Team Forming: Wednesday Night Meals MAT

This Fall, Cross View will be kicking off the Wednesday night programming with a meal. We're looking for people to help get this new ministry started. If you're gifted with planning, organizing, recruiting, or would simply like to serve on a weekly prep, serving, or clean-up team, contact staff liaison Renee Kirchner ([Renee@crossview.net](mailto:Renee@crossview.net))

## Landscape Project Saturday, July 15, 8:00 AM–Noon

Join the Gardening MAT as we re-mulch our gardens. Please bring gloves and a shovel — and a wheelbarrow if you have one. Questions? Contact Sue Hanson ([hansons96@gmail.com](mailto:hansons96@gmail.com)). And, yes, there will be donuts and coffee!

# Sincerely Grateful!

Most of you have heard by now that I will be taking an eight-week sabbatical June 28–August 24. I am sincerely grateful to Cross View's personnel committee, church council, ministry staff, and others who urged me to apply for the sabbatical and subsequently approved it. After over 19 years of ministry at Cross View, this time away will afford me the opportunity to rest, to renew, and to recharge as I prepare for the next season of ministry.

I am sincerely grateful to everyone who is pitching in to provide coverage during my absence. A solid plan for ministry coverage and congregational care is in place. If you have an emergency or have ministry needs, please contact the church office. Several communications regarding ministry coverage have recently been shared. More

will be shared in the coming weeks. In summary, Pastor Reed will provide primary pastoral care. Deaconess, Barb Coffin, will provide hospital visitation. Other Cross View staff, as well as lay members, will provide additional support and coverage during my absence.

Thank you so much for your prayers, your blessing, and your many expressions of love as I have prepared for the sabbatical. I will provide a report sometime following the sabbatical. Please know that I am, have been, and will continue to be lifting the congregation in my prayers in the weeks ahead. God's peace be with you!

In Christ,  
Pastor Steve

## Help Wanted

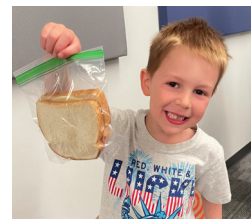

As a church family, we rely on each person stepping forward to help out in a unique way. We are in need of additional volunteers in two areas described below. Please prayerfully consider how the Lord might be calling you to use your gifts at Cross View.

**A/V Volunteers:** Are you a techie? We need your help to bring a great experience to those worshipping on-site and online! Training will be provided for each position. Questions? Contact Don Klingel (612-916-2493) or Gregg Poppe (612-237-6744)

- Graphics – Sanctuary and Great Commission Room (ProPresenter)
- Audio – Sanctuary, GCR Media Room (Allen Heath boards)
- Lighting – Sanctuary and Great Commission Room (ChamSys QuickQ 20 boards)
- Live-streaming – Media Room (Wirecast)

**Lectors for 10:45 AM Worship Service:** As we gather to worship the Lord, our focus is on the Word of God. We read directly from the Bible every Sunday, sing songs, and listen to preaching based on those readings. We need additional lectors for the late service to read the Scripture passages for the day. To volunteer, please contact Sue Harrison at [kharrison1111@gmail.com](mailto:kharrison1111@gmail.com) or 713-269-9657.

## Early Childhood Center

### ECC JUNE PROJECTS

During the month of June our three preschool rooms participated in outreach projects to help people in need in our community. The Hopper and Penguin classrooms made sandwiches for the Sandwich Project in Minneapolis. The Duckling class made birthday bags for low-income kids who don't get any presents on their birthday. Parents were invited to help their child make sandwiches for the birthday bags. This was an awesome way to show the kids of the ECC that there are other kids, just like them, who are not as fortunate. After

we were done with the projects, we prayed over them and had a special treat as a class. Below are some pictures of each event.

### UPDATED TECHNOLOGY NEEDED

Cross View Early Childhood Center needs some technology updates. The iPads we use every day are getting outdated and our computers that the teachers use are very old. If you have a connection to get some new iPads/computers or would like to donate to our technology fund, please reach out to the ECC office by emailing [stacey@crossview.net](mailto:stacey@crossview.net) or call 952-941-0009.

## STELLAR VBS TRULY STELLAR

THANK YOU to the awesome Stellar VBS volunteers! We had over 60 volunteers and over 140 kids attend! I want to say thank you to all the volunteers who made this camp possible. Thank you to all the congregation members who brought in a lot of supplies and prayed for the week. It was awesome and God was praised!

## PARENT CORNER

### Talk as a family.

As you are riding in the car or relaxing at the lake be sure to take time to talk as a family. Use some of these questions as a starting point.

- What is your favorite book?
- What do you like to do on a rainy day?

- What is your favorite praise song/hymn sung at church and why?
- What is one thing you are thankful for this week?
- What is one thing God has taught you this week? And what are you going to do about it?
- What is one thing you are going to do to serve someone this week?
- If you were a cartoon character which would you be and why?
- What is your favorite sport?
- What do you want to be when you grow up?
- Do you know that you are a dearly loved child of God?

## COLLEGE STUDENT WELCOME HOME LUNCH

Some of the college students who were already home for the summer enjoyed lunch and fellowship together after church one Sunday afternoon in late May. It was fun to have an opportunity to reconnect after the school year and kick off the summer together.

## COLORADO SPRINGS MISSION TRIP

On July 14th, 14 senior high youth and 4 adults leave on a mission trip to Colorado Springs, CO. We ask that you pray for this group as they go and serve in the Colorado Springs community!

## ROCHESTER SERVANT EVENT

Rochester Servant Event (RSE) was an incredible way to start the summer for Youth Ministry! The Cross View group of 17 youth and 7 adults joined about 200 people from 10 other

churches from Minnesota and Wisconsin at RSE in June.

Participants spent three days serving people in the Rochester community. In addition, they spent time together worshipping, eating meals, building relationships, learning, growing, and having fun. They had a great time and are already looking forward to next year's event.

Please ask the youth and adult leaders about their experiences. They would love to share the amazing ways they saw God at work throughout the week. This [KTTC news clip](#), featuring one of our very own adult leaders, provides a good overview as well. Please pray that the group continues to build on the week's experiences now that they have returned home.

# Outreach & Missions

## GUATEMALA MISSION PROJECT CONTINUES

From April 20th to April 28th, Tom and Laurie Koch returned to Guatemala to represent Cross View in a continuation of the Cross View Mission Project in Los Vásquez, Guatemala. They met with the Cocode, the village counsel, and found the completed water project continues to be a blessing for the village. Even though they are currently in the dry season, there is still a reliable supply of water.

Tom and Laurie made multiple home visits, seeing how the water system has been a benefit for the individual families. Throughout their visit, they felt a deep sense of appreciation from the Cocode and the individual people of Los Vásquez for the water system and the other projects that have been completed.

One of the primary reasons for their visit was to bring over 100 pounds of school supplies. Thanks to Lori Buuck and Judy Larson and their small group for providing many needed school supplies. The teachers and principal were delighted to receive these materials they normally would not have. Thank you for your generosity! In addition, Cross View's children and youth sent letters to the students in Los Vásquez to develop friendships. The children in Los Vásquez wrote letters back to our youth.

The Cross View mission team is partnering with Los Vásquez on a greenhouse project. Undeveloped land was donated for the community of Los Vásquez to use to build the greenhouse. Now that there is water available, Cross View is providing the materials to build the greenhouse, fencing, a drip irrigation system, tools, and seeds. This greenhouse will be 25 meters by 20 meters (roughly 75 feet by 60 feet.) The Cross View mission team is working with an agronomist in Guatemala to provide guidance for a drip irrigation system to grow the vegetables.

Fourteen families volunteered to

clear the land, provide the labor to build the greenhouse, and maintain the indoor vegetable garden. This project would not have been possible without the water project.

Cross View also provided ten scholarships for 5 young women to learn how to sew and 5 young men to learn woodworking. We hope this education will provide careers while these individuals live in Los Vásquez.

Thank you, Cross View, for generously supporting the Guatemala Mission Project. We look forward to mission trips in 2024 and partnering on new development project that will help our brothers and sisters in Christ, living in Los Vásquez.

## THANK YOU, TRINITY FIRST VOLUNTEERS!

Cross View supported Trinity First's Summer Bridge to Success Program the first week of June. During this VBS/Summer School combo, members volunteered in classrooms, prepared warm lunches, and taught a programming class to approximately 100 students grades K-8. The week ended on a high as students went on a field trip to Base Camp and challenged themselves on the rock wall, archery, and through team building activities. Thanks to our Trinity First MAT and the amazing volunteers who came out to represent Cross View and make this a successful kick-off week for their program!

## STEPHEN MINISTRY CORNER

Our congregation's Stephen Ministry equips laypeople to provide one-to-one Christian care to people in our congregation and community who are experiencing difficulties in their lives. Stephen Ministry is a confidential ministry. The identity of those receiving care and everything they discuss with a Stephen Minister remain private.

A Stephen Minister is...

- A child of God who walks beside someone who is hurting.
- A congregation member who is carefully selected to serve in this role because of his or her caregiving gifts.
- A layperson with 50 hours of training in providing high-quality, distinctively Christian care.
- A caring Christian friend who listens, cares, prays, supports, and encourages.
- Someone who meets faithfully each week with his or her care receiver for as long as there's a need.

If you need a Stephen Minister or are interested in becoming a Stephen Minister, please contact Pastor Steve.

*"Bear one another's burdens, and in this way you will fulfill the law of Christ."*

### MEAL TRAIN MINISTRY

Do you know someone who could use help with a few extra meals...a new mom, someone recovering from surgery, a family dealing with the loss of a loved one? Would you be willing to prepare a meal or two in one of the above circumstances? If so, Meal Train is a wonderful way to make that happen. To learn more about Meal Train, check it out at <https://www.mealtrain.com/?msclid=cd4d98cec5221ac3700ffc9ae0677a06>

Cross View's Women's Ministry has designated two young Cross View members, Emma Julkowski and Megan

Jarvis, to oversee this process. They'll set up the Meal Train and send out the notification to all who'd be willing to prepare a meal. All we are missing is YOU!

If you know of a need, let the Cross View office know and they will contact Megan Jarvis to set the wheels of love and service in motion.

If you would be willing to prepare a meal once a Meal Train has been initiated, please contact Megan Jarvis at [meganjarvis.msj@gmail.com](mailto:meganjarvis.msj@gmail.com) so she can put you on a list of those willing to be notified that meals are needed. Once you receive an email notification from Megan, you go to the Meal Train link she will provide, pick from available dates to make a meal, cook, and deliver a meal. It's that easy and provides one more opportunity for us to love others as we have been loved.

### WOMEN'S BOOK CLUB

Women's Book club will meet at church in room 120 on Monday, July 17, at 1:00 PM. We will be discussing the book *Spare* by Prince Harry The Duke of Sussex. Please feel free to join us on the 17th as new members are always welcome.

## Focus on the Family of Cross View by Paul Emmel

### FAITHFULLY FOLLOWING JESUS

Eugene and Ethel Berndt of St. Louis Park just celebrated their 69th wedding anniversary. They have six children, sixteen grandchildren, and four great grandchildren. At 93 years of age and healing from major surgery, Gene remains constant in reading and reflecting on the Christian life through personal study. I admire his energetic hunger for learning and his tested wisdom from years of faithfully following Jesus.

**Q. Gene, what are some of your memories of being Lutheran?**

A. About eighty years ago in South Dakota, I was preparing to be confirmed in the Lutheran faith. We were asked to memorize the five chief parts of Luther's Small Catechism along with the supporting Bible verses. After two years of Saturday confirmation classes, we were ready to be questioned by the pastor before the entire congregation. One of my questions was about sanctification. Luther's answer was, "I cannot by my own reason or strength believe in Jesus Christ my Lord or come to Him. But the Holy Ghost has called me by the Gospel, enlightened me with His gifts, sanctified and kept me in the true faith." Over the years, I have learned the power and need for the Holy Spirit at all times.

**Q. What do you appreciate most about being part of Cross View Lutheran?**

A. The congregation is much like the people I grew up

with. I share much of their culture and values. I like the singing and familiar songs and tunes. The electronics and visuals are great!

**Q. Please comment on your personal motto "Perpetual Gratitude."**

A. That means giving thanks in all things as a response to God's love. God keeps giving and giving in our lives. I look at His creation when out for a walk. This is all for our enjoyment! After my retirement, God has provided many inspirational and gifted writers for me to grow spiritually. This also calls me to a life of gratitude. God's grace is unlimited!

**Q. Throughout your many years, how do you maintain your trust and faith in Christ?**

A. There are many devotional books. I use "Portals of Prayer." You will note Luther's Morning and Evening Prayer that covers much for thanks, grace, and protection.

**Q. What are some of your favorite Scripture verses or hymns?**

A. Romans Chapter 8, the 23rd Psalm, and I Corinthians 13 on "Love" and the hymns "Blessed Assurance" and "Lift High the Cross."

**Q. Since you have not been able to attend worship services because of health issues, what do you miss most about Cross View?**

A. I absolutely miss the people in person! I do watch the live streaming on a regular basis and a Zoom class when offered. Paraphrasing for launch, I see more time in my future to engage in apologetics.
