September 2021

EQUIPPED TO GO

by Steve Wheeler, Senior Pastor

"So that the servant of God may be thoroughly equipped for every good work..." -2 Timothy 3:16-17

As our congregation kicks off another year of ministry this fall, we stand at a watershed moment. Coming off a worldwide pandemic, having just finished a significant facility expansion, and facing a post-Christian culture that considers the church irrelevant, it will be essential for us to re-orient our ministries and programming as we seek to restart and to re-envision ministry for the future. The greatest shift that will be necessary is for us to equip disciples who see themselves as missionaries and are willing to go where God sends them.

Sound challenging? Consider this question: Do you see yourself as a missionary? Regardless of your current answer, my prayer for you is that by year-end you and every believer at Cross View will be able to answer this question with a resounding "Yes!" But wait. You might be thinking, "I don't see myself as a missionary" or "Isn't that the job for the pastors or other church professionals?" or "I don't feel equipped or prepared to go and share my faith out there." If you've entertained these thoughts in the past, know that you're not

alone – and it’s no wonder. Since the early 1950’s the church in America was at the center of our society. The church was a respected voice in the public square. If people wanted to know about God or needed help in a time of crisis, they knew where to go and they would “come on in...” Members of churches depended heavily upon pastors and church workers to take it from there.

You’ve probably figured it out by now...the Christian church in America is no longer at the center of society. Not only has it lost its voice in the public square, but it is often marginalized, criticized, and demonized. No longer do people “come on in” when they want to know about God or when they are facing a time of crisis. This fundamental shift in our society and culture necessitates a new approach as we seek to reach lost people in our world. As the church today faces these new and uncharted waters in a post-Christian era, we need to shift old ministry paradigms to mirror the mindset of the 1st century church.

Those early believers all saw themselves as missionaries in a non-Christian culture and world. Having equipped them, Jesus sent them saying, “Go and make disciples...” In other words, Jesus wasn’t saying wait for people to “come on in,” He was saying, “go on out!” By His Word, through His Spirit, and with His presence, He would equip them with all they needed to go and to give witness to an unbelieving world. As they went into that world, He would provide the miracles of faith in the lives of those with whom they interacted.

As we begin the 2021–2022 year in ministry, our theme for the year is **“Equipped to Go.”** Beginning this year, Cross View’s programming and ministry offerings will be geared to equip you as disciples who are prepared to “go out” and to give witness to Jesus wherever He plants you. We want you to see yourself as Jesus’ missionaries regardless of your age or vocation. The days of

people “coming on in” are over. The days for the church to be equipped to “go on out” have come!

To equip you as a missionary to go into your unique mission field, we will be offering programming and ministries that will grow you as disciples who make disciples. Families with children will be equipped to go as Jesus’ missionaries through the ministry of our Early Childhood Center, Sunday school, and midweek offerings as well as our Junior and Senior High ministries. Adults of all ages will be equipped to go through a variety of Bible studies, small group offerings, and the inaugural year of Community Light School of Discipleship. The entire congregation will have ample opportunities to be equipped to go and to serve our local community. A team of Cross View members will be equipped to go to Guatemala in coming year to share the love of Christ and to meet human need.

In 2 Timothy 3:16-17, we are promised that God will work through His Word **“so that the servant of God may be thoroughly equipped for every good work.”** God equips and prepares us with all we need to go and to be his missionaries. He provides the miracles. Still don’t believe it? Consider the past eighteen months. God held our congregation together through a pandemic. He kept our ECC open. He kept our ministries and outreach strong. He led us through the completion of the build. He allowed us not only to retain existing staff, but to add new staff. He equipped us with all and more than we asked or imagined in the past so that we could go in the future.

Do you see yourself as a missionary? Do you see your everyday life as a mission field? If you do, that’s great! If you don’t, I pray that over the course of the coming year(s) that you will as you participate and make use of the many ministry opportunities at Cross View that will equip you to go... to go and make disciples.

New Stephen Minister Training Scheduled for Fall

Stephen Ministry leaders from Our Lady of Grace and Cross View will be leading a training course for new Stephen ministers, beginning on August 30. Cross View will be hosting many of the training sessions which will be on Monday evenings for about 2-3 hours, ending on November 15. For now, please prayerfully consider whether or not your spiritual gifts and talents could be used in this compassionate ministry.

Since 1975, over 600,000 people from all walks of life have been trained as Stephen Ministers — lay caregivers who, in turn, have brought God's healing love to millions of hurting people going through difficult times in life. These people are drawn to Stephen Ministry training by the desire to make a significant difference during a time of great need in someone's life. What often surprises them is the tremendous personal and spiritual growth they themselves experience.

If you are thinking about becoming a Stephen Minister, here are some next steps:

- Pray for discernment about your gifts, your passions, and how God is asking you to grow in ministry.
- Let a pastor or Stephen Minister know about your interest in training to become a Stephen Minister.
- Visit stephenministries.org/SM for additional stories and information about serving as a Stephen Minister.

If you need a Stephen Minister, please contact a pastor.

"Bear one another's burdens, and in this way you will fulfill the law of Christ."

—Galatians 6:2

On September 16, Cross View will launch the inaugural year of **Community Light School of Discipleship (CLSD)**. CLSD is a Bible study designed to help each of us to grow as disciples to make disciples. This free series will equip participants with the resources to “go” and make disciples wherever God has planted them. CLSD is certainly designed to benefit our congregation, but it is also intended to reach the community at large. Prayerfully consider how you, your small group, a friend outside of Cross View, a congregation with whom you have connections, or someone else could benefit from participating. Invite them to join us onsite, online, or on demand.

Some of the overarching goals of CLSD include but are not limited to:

- Offer a resource for the Church to equip and re-energize congregants and ministry leaders to carry out the Great Commission in light of a climate and culture where the church is in decline.
- Create a school of discipleship that is made available, free of charge, to the Church to equip congregants and ministry leaders to grow as disciples who make disciples.
- Provide engaging, first-class presenters to provide the main lecture and to develop the weekly small group ministry guides.
- Invite local area LCMS churches and ministry leaders to attend onsite and/or online.
- Invite outstate churches throughout MN South District to attend online.
- Encourage participants to invite others to participate in the program in different states either through the live broadcasts or through archived presentations.

HOW TO PARTICIPATE

- ✦ **Onsite** – at Cross View in a combination lecture assembly and small group breakout format.
- ✦ **Online** – lectures and content live-streamed via a hosted, online platform so questions can be submitted to presenters.
- ✦ **On-Demand** – sessions and resources archived for ongoing availability.

TIMING

- ✦ Three nine-week sessions start September 16 and run until the end of April.
- ✦ Sessions will be held Thursdays from 6:30 – 8:30 PM, both onsite at Cross View and via live streaming. All sessions will be archived for all participants.

SESSION FORMAT

- 6:30 – 6:40** Opening
- 6:45 – 7:10** Small Group Check-in
- 7:15 – 7:45** Presenter Lecture
- 7:50 – 8:15** Small Group Discussion
- 8:20 – 8:30** Q&A with Presenter and Closing

CLASS OVERVIEWS 3 areas of focus each lasting 9 weeks

Discipleship and Missions in the Old Testament

September 16 – November 19

Can Israel's scriptures really help us grow as disciples of Jesus who make disciples of all nations? Indeed! In this class, we will meet world-class missionaries—people like Abraham, Solomon, Isaiah, and Zechariah. Even Jonah will teach us a thing or three!

Presenter — **Dr. Reed Lessing**, Professor of Theology and Ministry, Concordia University, St. Paul, MN

The Good Life in Christ – Ethics for the Christian Disciple

December 2 – February 10

Participants will look at ethical issues from God's perspective. How do divine commands shape our ethical decision-making? What divine virtues are we designed to reflect? How does God motivate our morality as Christian disciples? The class will look at the crucial functions of justice, love, humility, vocation, and freedom in the life and witness of the Christian.

Presenter — **Dr. Dean Nadasdy**, President Emeritus, MN South District, LCMS

Discipleship and Missions in the New Testament

February 24 – April 28

The challenges and opportunities facing us as Christians today mirror in many ways the challenges and opportunities in the New Testament church. In this class, we will learn from those first Christians, their leaders, and Christ Himself how we have been saved and sanctified to be His people today in, and for the sake of, the world He loves so much.

Presenters — **Dr. William Utech**, Assistant to the President, Missions, and **Dr. Phillip Johnson**, Assistant to the President, Mission Formation, both of MN South District, LCMS

CLSD is an incredible offering for our congregation to grow as disciples who make disciples. Let's all take advantage of it! In addition, let's be a light to our community near and far as each of us pass on the details of this opportunity to our networks of friends and churches.

Get more information and register for Community Light at www.crossview.net/communitylight (onsite space is limited) or via email at CLSD@crossview.net.

What do you use to interpret events as they unfold in the world? Do you use personal opinion? Media's opinion? Science? Song lyrics? The force? Something else? In "The Story of Reality," we'll examine the big picture to see God's story unfold from Creation through the End Times. We'll work to assemble a world view, showing how the pieces fit together to guide us through life and to understand events unfolding around us. [Register for this class at CVConnect](#). Questions? Early Childhood Center

A FABULOUS FAMILY FUN DAY

To end the summer festivities this year, the ECC had their annual Family Fun Day on August 12th. It was such a fun time with pony rides, bunnies for the kids to pet, games, face painting, and a special treat. All the families that came were smiling and having a great time mingling with one another and laughing. Even the teachers got into the excitement of the day.

The Early Childhood Center is hiring this year. They

have lost many of their great teachers to the housing market and to the K-8th schools. They are looking for part-time and full-time positions to serve in one of the classrooms or be a substitute when needed. It is very hard to hire early childcare workers right now, so anyone that you might know of and give the ECC information to would be greatly appreciated. Please tell them to contact Stacey LaMere at stacey@crossview.net or call the center at 952-941-0009.

The youth and adults who were a part of (TC)² were blessed to be a blessing!

Outreach & Missions

WELCOME MAT LAUNCH COMING SOON!

The Welcome MAT Design Team is making final preparations for the fall launch of this new and exciting ministry for welcoming visitors to Cross View!

The team had their initial role overview with videos on Saturday, July 17th, which was open to the congregation. They want to thank all those volunteers who have stepped up and committed to this ministry, but as stated before, they still need more volunteers to make this a truly successful effort. They need additional Hosts (formerly known as greeters) and Connectors (new roles to assist interested visitor families get more oriented with Cross View). There are also a couple of lead roles to be filled at this time. If you missed the July 17th video overview, the videos will be shown prior to services in coming Sundays, and a recording of the overview session will also be available for viewing if you still might be interested in being a part of this team. Stay tuned for information on where exactly the videos can be accessed, as they will be helpful regarding new parking information, the new CV member event registration area and visitor Welcome Bundles.

If, after viewing the overview videos, you think you might be interested in becoming a member of the Welcome MAT, please contact any member of the Design Team (Phil Johnson, Tonya Bushey, Sue Harrison, Gregg Poppe), and they will be happy to plug you into a spot of your choice!

The congregation's prayerful consideration to serve on the new Welcome MAT is greatly needed and appreciated, as the harvest is plentiful for growing God's Kingdom at Cross View!

Sincere thanks go out to all who have stepped up to support this vital ministry.

A RETURN TO LOS VASQUEZ, GUATEMALA — DENTAL ASSISTANT OR NURSE NEEDED FOR THE OCTOBER 30TH MISSION TRIP!

On July 14, 2021, Cross View's Guatemala Mission Action Team met for a planning session. Our team is planning to return to Los Vasquez, Guatemala, on October 30th and staying until November 6th.

Once again, we are planning a full schedule while in Guatemala. We plan on passing out Bibles for children during worship services on Sunday morning. During the week, we will lead a Bible study for women and provide Bibles for the participants.

We are scheduling a local Guatemalan dentist to conduct a dental clinic in Los Vasquez during the week as well. We are looking for either a dental assistant or nurse to assist the dentist in Los Vasquez. Please contact Tom Koch, tjkoch47@gmail.com or 612-386-3901, or contact Pastor Steve or Pastor Toby for more details.

The water investigation continues as we look for the best way to provide for Los Vasquez's water needs.

Please keep the people of Los Vasquez in your prayers. Please also keep the Cross View's Guatemala Mission Action Team in your prayers as we prepare for our fall trip to Guatemala. Our team consists of Vicky Barton, RoseAnn Meier, Laurie Koch, Pastor Steve, Pastor Toby, and Tom Koch.

4.0 Building for Generations Dedication September 12 Both Services!

A service of dedication, celebrating the completion of the 4.0 Building for Generations project will be offered at both the 8:15 and 10:45 AM worship services on September 12. As a part of our fall kickoff worship, we will dedicate our new facilities to the honor of God and for the purpose of sharing the Gospel message with one another, our community, and the world for generations to come.

Both services will offer a blend of traditional and contemporary music. Worship, that day, will start in the Great Commission Room and transition to the sanctuary as a part of the dedication. Music for this special event will include our Handbell choir, the Praise Team, piano music, a guest trumpet player, and of course, organ music by Harrison Lawrence.

As you are aware, the worldwide pandemic delayed this celebration by more than a year. Now that many of Cross View's members are able to participate in person as well as to view the online stream, it's time to celebrate! Don't miss out on this historic moment in our church's history. Come and celebrate the completion of **Cross View 4.0 — Building for Generations**.
