ECC PARENT INCENTIVE PROGRAM

Parents, we first implemented this incentive program last fall and we were lucky enough to hire 2 wonderful teachers that are still with us today. Looking ahead and thinking towards fall knowing we are going to have a staffing shortage due to maternity leave and staff leaving for college we are once again sending out the details of this program. Ms. Stacey

Dear Parents,

It is our joy and privilege to care for your child(dren), providing them with a Christian education. It is our deepest desire to keep our center open Monday through Friday. As you probably know, there is a serious labor shortage in our country at this time that is affecting many industries. The childcare industry is one of them.

To keep our center open Monday through Friday, the state requires that we have the proper ratio of teachers to students. This puts us in a situation where we are in desperate need of additional teachers and assistants to provide us with the margin we need when our current employees are sick or are due vacation.

Here's where you come in! We view our parents as the center's primary partners and stakeholders. We are asking for your help with referrals for potential hires for full-time and/or part-time teachers, assistants, and aides. *(Please stop in the office to pick up additional information to share with a potential hire.)*

If you refer a potential hire to our center and that person is hired and remains employed for three full months (90 days), **we will give you three weeks of free tuition for one child.**

Thanks for helping us to keep our center fully-operational with quality staff.

RULES AT SCHOOL

Rules, rules, rules, they keep us safe at school.

Walk down the hall, give a wave to a friend,

Use inside voices, walk in a line to the end

We listen to parents and teachers at school

Following the rules at school are cool.
